To Marie

The 1978 TOR is dedicated to Mrs. Marie Moshier, head secretary of Mt. Rainier, who for the last 18 years has been dedicated to the students and faculty of MRHS.

Mrs. Moshier came to Mt. Rainier as a secretary shortly after the school opened in 1958. After a few years, she became head secretary. Since that time, Mrs. Moshier has trained three Principals and has kept everyone in line. She has helped many students with their everyday life at Mt. Rainier and has been a great support to the faculty.

Before Mrs. Moshier came to Mt. Rainier, she was busy being a housewife and a mother. Raising three daughters must have been quite a job! She is now the proud grandma of six grandchildren. She is very active in the school and community affairs, and in P.T.A., where in 1976 she won the Golden Acorn award. Her husband served on the school board for many years (Moshier Field at Highline High School was named in his honor).

Besides "running" the school, Mrs. Moshier has other interests. Just to name a few; bridge, theater, camping, hiking, political activities, and helping others.

Mrs. Moshier has been more than a secretary, more than just a friendly smile; she's been a friend to all. So to you, Mrs. Moshier, with all our love and appreciation, we would like to dedicate this book and our fondest memories to you, our secretary, our friend, who we will miss greatly but remember always.

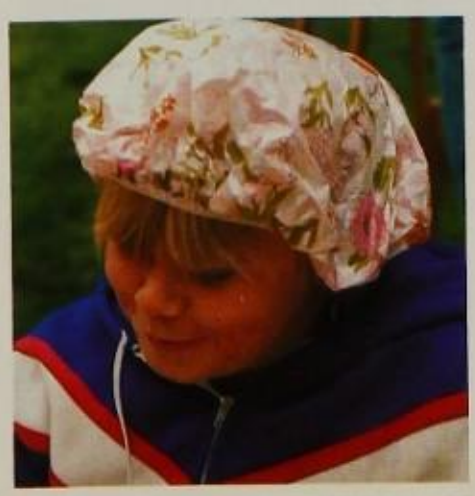
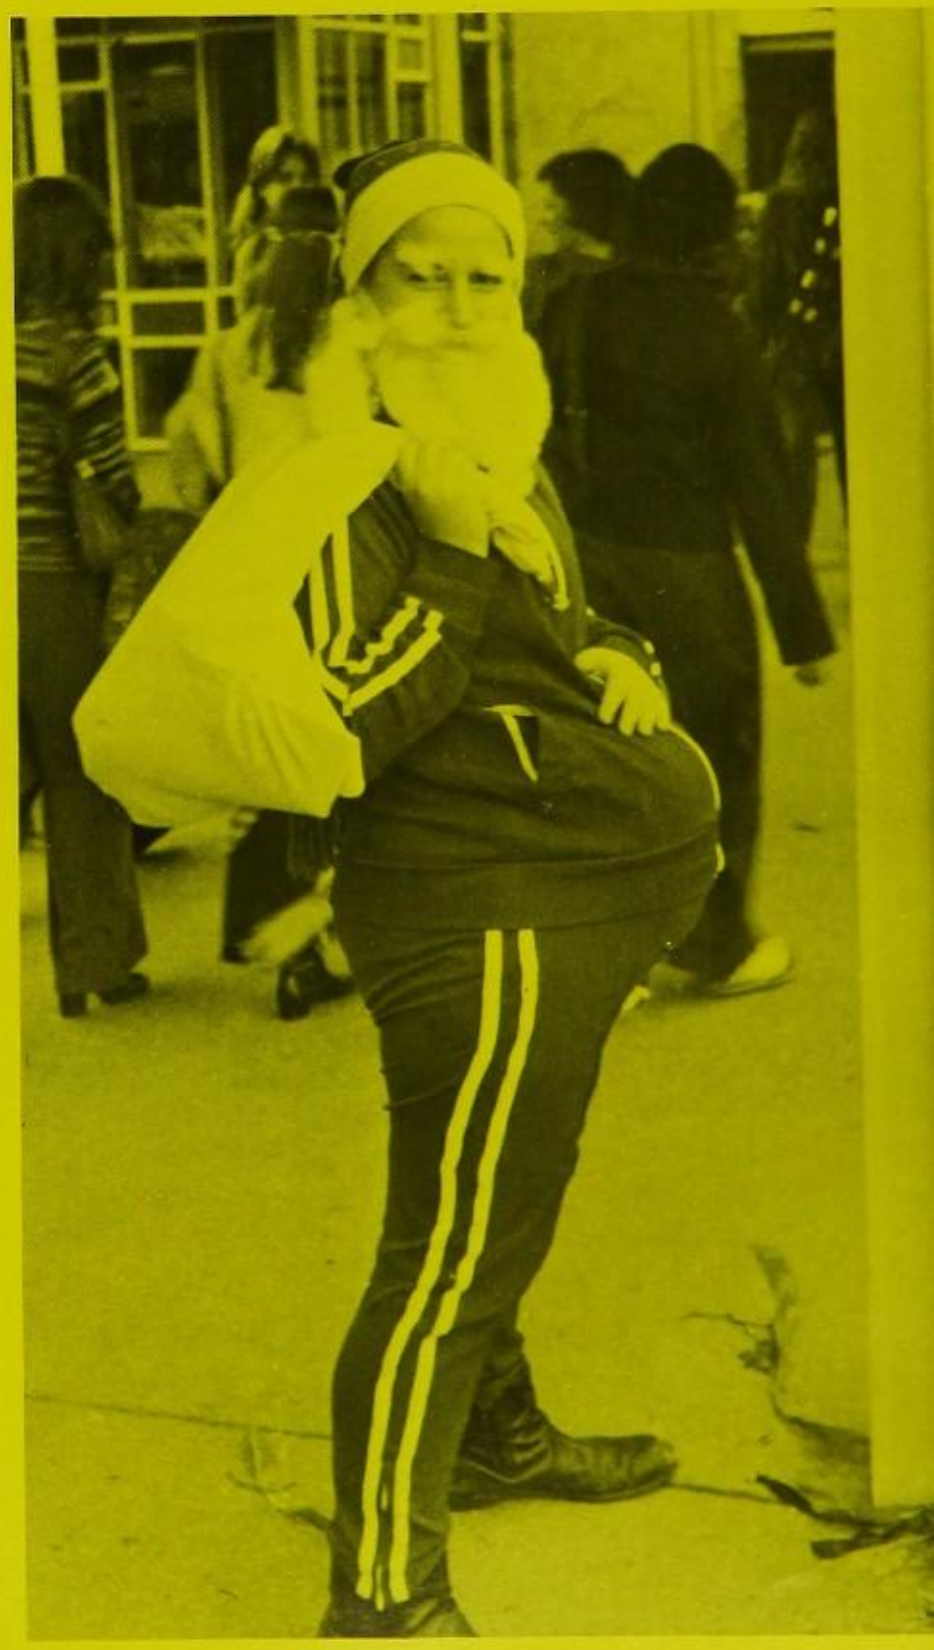
Electricity surged through the hearts and minds of all attending Mt. Rainier during Homecoming. It reigned throughout the week with a conglomeration of dress-up days, activities during lunches, a superb assembly, the victorious game, and finaly it all came to a climax with a fantastic dance.



SIT ON IT Marianne!

Outrageous costumes filled the halls on Halloween from jungle women to men from outerspace. This insanity continued on Tuesday with twin day with pairs such as Ragady Ann and Andy and even two pregnant nuns. Topping off Wednesday was hat day. Various headdress was worn by the natives. Returning back to normal, Rainier students dressed comfortably on Thursday for grub day. And then ending the week with a class act, students dug out their best duds to show a little "class".

GO FOR IT Seniors!



Mt. Rainier's Alumni

The traditional idea of Homecoming is the return of Mt. Rainiers almni with them came the warm memories and good feelings we once shared. This years Homecoming proved to be a very enjoyable occasion for everyone.

RAM Football '77

The mighty Rams concluded the 1977 season with a 20 to 17 Homecoming game win over Auburn. This victory landed the Rams the Olympic Division second place and a 5 win - 4 loss record.

Senior Rory Zack led the Rams by passing to top receivers senior Kris Gorshkow, senior Bob Fitzsimmons, and junior Phil Briggs. Rory often chose to run with the ball or hand off to senior Jeff Olver, junior Kevin Budworth, and junior Dewayne Gleason.

The Rams played well under the direction of new coach Greg Flynn, who came to Mt. Rainier this year from Glacier. Coaches Glennon, Duncan and Ronia helped Flynn to produce a winning team.

Congratulations to the following Ram football players for their outstanding effort:

Dave Herrin ..... Most Inspirational
Rory Zack and Bill Perry ..... Team Captains
Chuck Clawson ..... Most Improved

Cross-Country.....
really "Cooking"

Cross-country athletes show skill, determination,and physical endurance in their chosen sport. Although this sport does not always receive the same amount of recognition as the other sports do, those athletes who have participated have shown true Ram spirit in this year's season. Spring track receives a lot of additional help since many cross-country athletes also are involved in spring track and cross-country. This provides an excellent opportunity to prepare for the spring track season.

Volleyball '77

This year's team was young, with only six returning from last year, and only one three-year veteran, Jeri Clayton. Diana Bergstrom was elected to serve as the team captain for the season, because of the change to international rules. Next year's team should be promising with only two of the six starters graduating.

The team elected Jeri Clayton honorary senior captain, along with Debbie Kirkland, most improved, and Pam Gossman, most inspirational.

student council meetings

activities

Associated Student Body was full of new ideas as this years officers joined together. Mark Bolender, President, Gwen Connors, Vice-president, Jennifer Hine, Treasurer, and Denise Rea, Secretary combined their talents and ideas to make A.S.B. activities run smoothly. They devoted time and energy to try and improve or sometimes just maintain the many school programs offered through A.S.B.

Every few weeks Student Council meetings were held where decisions were made concerning different aspects of Mt. Rainier, from ice cream machines to whether or not cheerleaders should receive a letter. These meetings, at times, consisted of conflicting opinions and argument but usually decisions were made without too many problems.

Some of the activities put on specificly by A.S.B. were discos, Homecoming, Campus Cleanup Drive, and various other little projects necessary for the maintenance and improvement of Mt. Rainier. Thanks for all got involved and gave their time, energy and ideas for a worthwhile program. On the whole it was a good Year.

Operation Christmas

Operation Christmas was put on again this year by Honor Society. It consists of 3 events, "The Fish Fry"; at Salt Water State Park. They also made "Apple Rings," and sold them during lunch and 5th period. They were real good! To end the Christmas season they had a "can food drive and distributed them just before Christman Eve. Operation Christman was very successful this year as in every year.

Young but determined would have to be the best descriptive phrase for this year's boys' basketball team. With only three returning letterman the team struggled through a tough schedule in the hope of rebuilding for next year.

Although the team found it hard to win many games during the N.P.S.L. play, many of the younger players gained the valuable experience necessary for a winning future. Good luck next year.

Gymnastics

The Mt. Rainier Gymnastics Team, coached by Nancy Dean, performed brilliantly this year. With six returning team members and strong sophomore support, the Rams boast a 12 win - 1 loss season record. The team continuously received high marks and frequently swept all events. The Rams were Highline District Champions, they tied the Number 1 spot in the N.P.S.L., and are sure to place high in state competition. The spirit of the gymnastics team is also Number 1. They practice, perform, laugh, and cry together. The '78 Ram gymnasts are genuinely a team.

Ram Wrestlers

The wrestling team this year consisted of 21 wrestlers. With ten seniors, seven juniors, and four sophomores the team had alot of potential and confidence backing them up.

As the year progressed, there were injuries. The team went into a slump but were coming out of it a little bit at a time.

Since wrestling is and individual sport, more than a team sport, every wrestler had his own personal goals to meet. Although the sport is an individual sport, the Ram Wrestlers did fantastic as a team in the tournaments.

Sophomore Mike Mangrum was undefeated through out the year. Kevin Harris, Matt McDaniels, Bob Caldwell, Jay Blevins, Zane Chase, Kevin Budworth, Dean Wilson, and Jim Notman were very tough competitors to wrestle with.

The wrestling stats were superb. Coach Brenneman said that he didn't have to tell them what to do at all. The stats new what to do and did an excellent job.

As for next year, the returning wrestlers have alot of potential and will succeed in their goals for next year.

Mt. Rainier girls' basketball team finished fourth in a very strong NPSL league. The starters consisted of one senior, three juniors, and one sophomore, providing an experienced team for next year.

Team captain was Vickie Levack, a three year letter winner. Chrystal Hamilton was named One-on-One Champion. The best offensive players were Vickie Levack and Cindy Breed, and the best defensive player was Diana Bergstrom. The team voted Luann Bargmeyer most inspirational. Vickie Levack and Cindy Breed made all - NPSL, second team, and Chrystal Hamilton and Denise Hendricks received honorable mention.

Swimming...

The boys' swim team came out with a 4 and 6 record this year. Paula Stokke, this years coach, was hard on the guys, made them work, but they loved every minute of it. Every person on the team put out alot of effort to make this a good year. They had a lot of fun and learned alot from each other. Next year's team should be good, as you can tell many of the team members will be returning.

Ram Track

The '78 track team kept up the winning tradition, losing only to Hazen, and placing 3rd in NPSL.

Ten athletes qualified for the West Central meet. They were seniors Mike Flynn, Rob McCormick, Ron Thomas, Randy Jones, Stuart Smith, and Jim DeSilva and juniors John Webster, Phil Briggs, Dean Wilson, and Troy Denney.

From there, Flynn, Jones, Thomas, Smith, and Wilson advanced to state competition. At press time, results were unavailable.

Even though the team will lose many seniors, next year's team should carry on the winning tradition in true Ram style.

10-S-N-E-1?

Ram tennis was full of fun and good spirits all season. Even though they didn't win as many matches as they would have liked to, the players kept their morale and had a lot of fun. Occassional water fights, a ball or two hit on the back of the head, "by accident" and Mrs. Pennington's goodies were some of the highlights that made the season exciting. Of course the matches were challenging and fun but it is questionable as to whether the opponents compelled the players to show up or the many treats M.R. was known for provided by Tracy Ott from Rally Board, Mrs. Pennington and the team members.

Although the scores look rather poor, the individual matches were much closer with a great improvement over last year. Everyone put up a good fight and had a terrific time sinking together.

SWIMMING

Mt. Rainiers swim team made a very impressive mark this year. In girls swimming, Nancy Breneman (not pictured) qualified for diving. In boys swimming, John Rogers, John McDonald, Todd Ellingson, and Eric Oman qualified in the medely relay. Mark Bolender qualified for diving and placed 14th. Paul Chilton also qualifying for diving, placed 9th. John Rogers qualified for the 100 yd. breast stroke and placed 2nd.

DEBATE

Aside from the athletics events, debate successfully defended it's North Puget Sound League Debate Championship, which qualified the team to participate in the State Debate Tournament.
Top row - John Rogers; Al Peterson; Todd Ellingson; Mark Bolender; Ron Averill;
Bottom row - Lori Criss; Tami Conrad; Brynne Pederson; Mary Pratt; Kathy Morris.

F.B.L.A.

Five Mt. Rainier students won berths in National Competition. They are; Tami Killeen, Beth McPherson, Cheryl Ostrom, Nancy Swecker and Kellie Varney. Other winners in the State Competition include Jill LaGrandeur, Cheryl Ostrom, Kristrn Lemke, Laurie Criss, Caroyl House, Lori Mirante, Connie Young, Ron Churchill, and Donna Hite.

DECA

This years Deca did a really good job. Rob Lane placed 7th in Salesmanship. Danielle Carmichael placed 3rd in apparel and assessories. Sue Koch placed 2nd in Job Interview and Jeff Olver placed 6th in Advertising.

State Qualifiers

WRESTLING

This years wrestling team made a great mark in the State Competition. Matt McDaniel placed 7th in the AAA State. Mike Mangrum placed 3rd and Kevin Budworth made alternate for the state tournment. Others who participated in state were Jay Blevins and Bob Caldwell.

TRACK

Mt. Rainier's track team did a great job this year. State participants were: Randy Jones, triple jump, Ron Thomas, triple jump, Mike Flynn, low hurdles, Stuart Smith, 880, Dean Wilson, pole vault, and Jennifer Doan, long jump (also set a new school record in the 220 at 25.5).

GYMNASTICS

In gymanstics this year Liz Allen went to state to compete on the bars.

Tonight

Under the direction of our new drama teacher Dick Wining and student director Sam Allred, Mt. Rainier Little Theater produced two plays this year. Both were superbly done. The first "Parted on her Wedding Morn" was a melodrama comedy with your fairmaiden, villian, and country bumpkin hero.

The second "Family Album" was a melodrama also. It was based in the 1800's about a family after their fathers funeral. Poor Lavinia - father must have been a real creep. The cast and director should be real proud of themselves, as they did an excellent job.

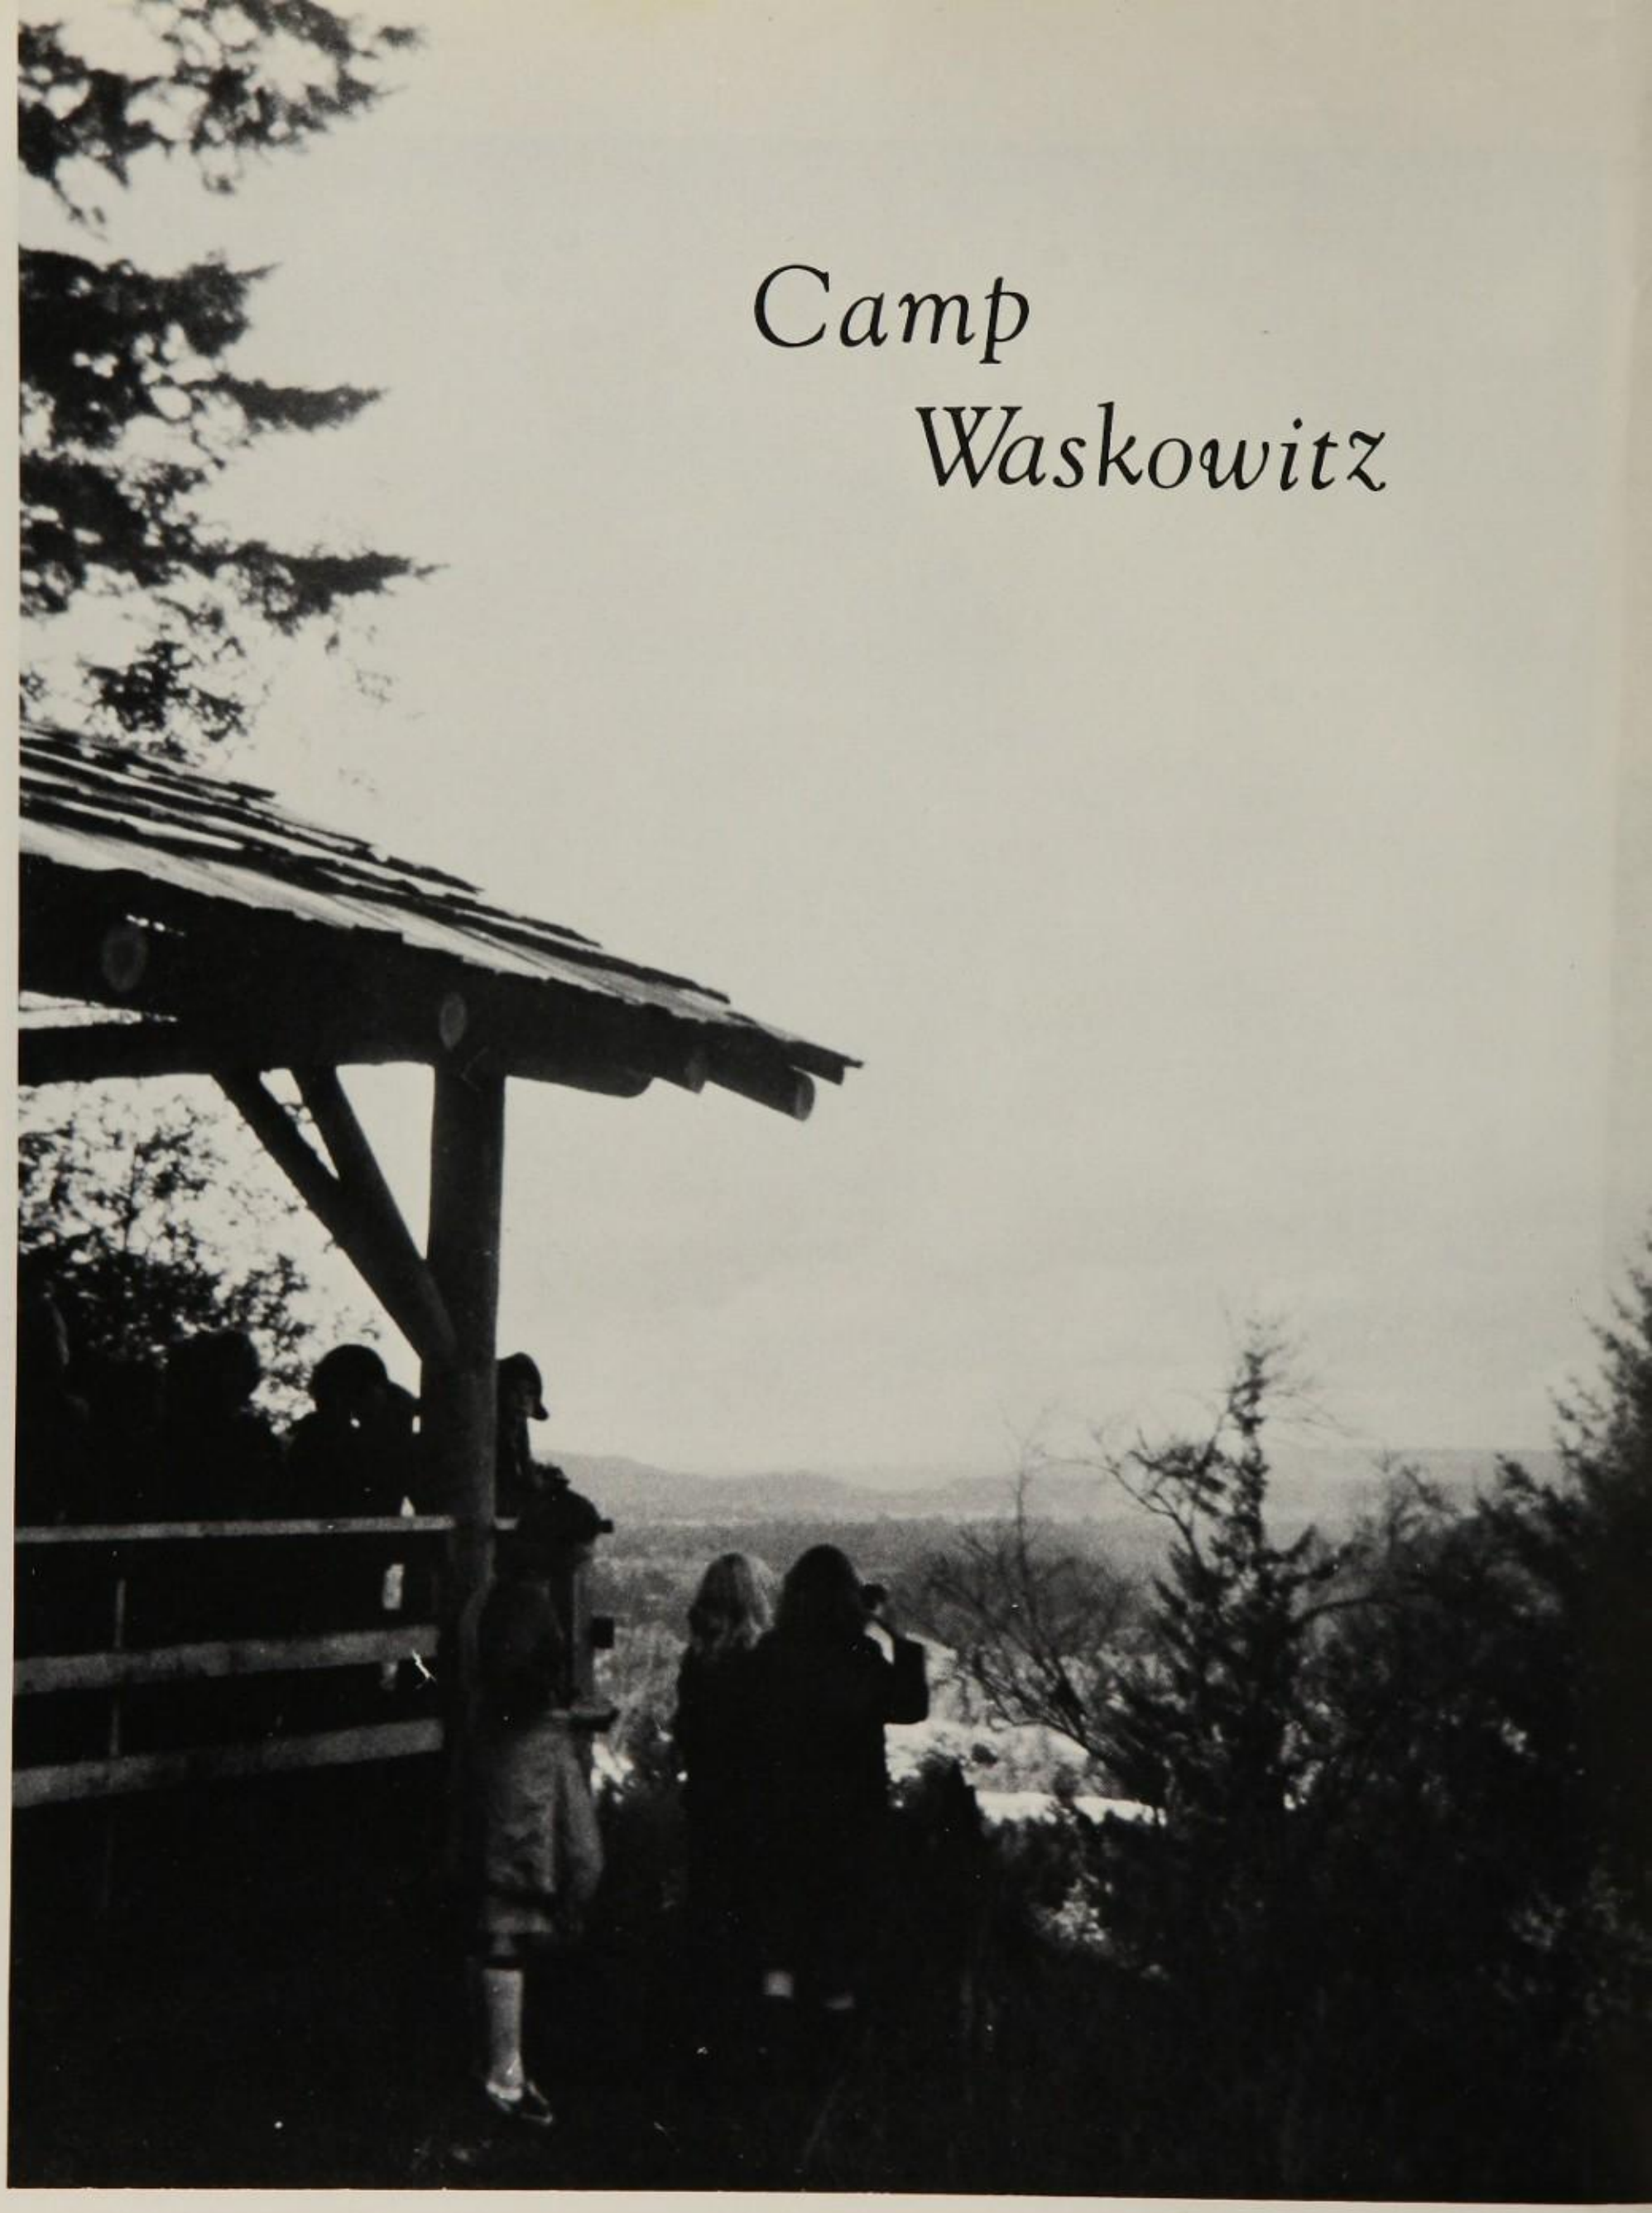
ORGANIZATIONS

Camp Waskowitz



The Highline School District offers each sixth grade student the opportunity to spend a school week at Camp Waskowitz. To assist with the program instructions and in directing activities of the sixth graders, high school students are selected to supervise and teach. Student leaders play a key role because of the relationship that they develop with the sixth grade students. There are many problems that the student leaders face; homesickness, refusal to share in the work, and many more. The student leader goes to a training session the week before to learn to deal with these problems.

A week at Camp Waskowitz is a wonderfu experience for all involved, thanks to all coordinators including the well loved Mr. Sullivan, Camp Program director, and Mr. Saloman, our student leader selector. However, Camp would not be Camp without Bill Weppler, Camp site director.

Under the direction of Mr. Van Gasken this years choir turned out extremely well. This was Mr. V's second year as choir director and each year the choir gets better and better. The choir put on some very fine performances during the year such as the fall and Chritmas concerts. They performed the annual Christmas program at Wesley Gardens. This years choir was a young one with many of those good voices returning to keep that good music "coming at you."

Vocal Ensemble

This years Vocal Ensemble met before school on its own time. This group consisted of hand picked people each having to audition to make it into the group. Most people think Vocal Ensemble is all fun and no work. That is not true. They had to be at school at 7:20 a.m. on Wendesday and Friday. Every Monday there was an additional rehearsal after school. In general Vocal Ensemble was a fun close knit group working together to do the best job they possibly can.

Mountain Club has made it to the TOP

With three years on the rise, the Mt. Rainier Mountain Club has "climbed" 100%. The purpose of the Club is to get students involved in the outdoors and to fulfill some desires and pre-set goals. Some activities this year consisted of hiking, snowshoeing, backpacking, skiing, and camping.

Check Mate!

This year's Ram's Chess Club really showed Rainier what they had. Lots of grueling time and all-out enthusiastic effort was put in to make the team the best it's been in years. The top seven players are as follows: (listed in order) Nick Marble, Tony Costillos, Marty Delismon, Ron Averill, Paul Piguet, Keith Wise, and Jeff Clark. Other club members who supported those top seven are: Kevin Hall, Karl Finefrock, Dave Hallis, Jim Davies, Brett Roth, and Dean Labounty.

RAM DEBATE "78"

Advised and Inspired by Mr. Lou Pappas, the Mt. Rainier Debate Team, otherwise known as the Contast Speaking Class, worked very busily this year. When they weren't preparing for next week's debate, they were anxiously awaiting to brighten our day with an inspiring message on the Ram Special. They competed in both team events and individual events such as impromptu, extemp, oratory, expository, and oral interpretation. You could usually find these eager beavers at colleges throughout the area "telling it like it is". They also work hard at announcing at school functions. Good goin', Debate Team!

Reading Lab Reads on...

Have you ever looked across Mt. Rainier's field and noticed those large clumps of people headed towards Pacific? No, these students aren't unhappy High Schoolers heading back to Junior High; they are students that are involved in Pacific's reading center. This year, the Reading Center offered three different programs to students:

Reading Tutor: This is when brave High School and Junior High students teach younger students lessons which are designed to meet the child's reading levels and skill deficits. Both tutor and student learn from each other and many warm moments were shared.

Developed Mental Reading: A new class this year offering students a chance to expand their vocabulary and reading skills. Students involved in this class were interested in better preparing themselves for the "College World." (There is a small amount of this type of student on the Mt. Rainier Campus!)

Reading Improvement: This was a program offering more personalized reading for students. They worked in small groups and also studied in a class of 10 to 15 students.

Under the direction of Abbot Custer, these programs have proved to be both full of satisfaction and success! Read on!

Rainier Cheer

You may ask "What is cheer?" Elementary! Cheer are the bright spirited people who lead the crowds in yells, fight songs, and hysterical screaming. They put forth a lot, in time and effort. They practice regularly to be full of new cheers and entertaining routines. They also attended all sports events and were representatives of our school.

Eleanor Biasini and Cheryl Ostrom had two years on the squad, helping to continue the Ram's spirited tradition. Jeff Kym, the Yell King, helped to inspire the crowd.

Spades Help Out

For the past 14 years the Mt. Rainier Spades Club has helped the handicapped and mentally retarded citizens in our community.

This year Spades concentrated their efforts at Granview. The club met once a week and spent an hour and a half at the school helping the teachers and working directly with the students.

The activities of Spades Club were not directly seen by the student body of Mt. Rainier but the club can rest assured that they are greatly commended for the assistance and dedication to this worthy cause.

Occupational Skills Center

The Occupational Skills Center is unknown to most students of the Federal Way, Highline, and South Central school districts other than those students fortunate enough to be able to participate tn the program. To those who do participate, the program offers an excellent opportunity to train in the necessary skills that help to provide a good chance for employment later on in life. The OSC program was the first interdistrict vocational education facility in the state of Washington. With the aid of Hugh Albrecht as the Site Director, the OSC program is very well run with the students, their needs, desires, and abilities in mind. Many of the students who do participate in the program find that the skills taught are not only interesting, but also are fun to learn. It is not just the program and the materials used that are such a great sucess, but it is the people that make OSC what it is.

Training for the Future

Carpentry

OSC's carpentry class offers students a chance to ruin fingers, learn to study a plan, make material and labor estimates, and other necessary skills.

Visual Communications

For those with an artistic ability, this two year program gives you a chance to work with photography, offset printing, closed circuit television, and commercial art. First year is general study and during their second year, students specialize in their chosen field.

Commercial Foods

For people with strong minds and stomachs to match, the commercial food program offers a chance to train in food preparation and other dining service skills.

OSC
Staff

The staff at the OSC program may not have been as well-known or as well-loved (?) as the staff at Mt. Rainier, but their help and guidance toward Mt. Rainier students has been much appreciated by the students. The staff consisted of the following people.

(Standing) Paul Richter, Foods; Bob Rathbun, Foods; Darrell Anderson, Foods; Walt Farley, Visual Communications; Ron Sullivan, Visual Communications; Tom Price, Visual Communications; Sharon Danley, Medical; Harold Obaitek, Cashier Checker; Jim Gast, Plastics; Louie Halko, Plastics; Lauren Rice, Marine Technology; Jeanne Louvier, Secretary.

(Sitting) Hugh Albrecht, Site Director; Rich Watson, Counselor; Lilly Woodward, Attendance Secretary; Irene Allen, Clothing; Jo Ann Cox, Medical Assistant; Gloria Neiman, Dental Assistant.

Exploring Childhood

Exploring Childhood has been offered at Mt. Rainier for four years. Together, Mrs. Paula Craig and Mrs. Karolyn Albrecht have devised a program for high school students to work with the morning and afternoon kindergarten classes.

Three days a week the Mt. Rainier students plan their lessons and discuss with the class any new ideas or thoughts they may have. The remaining two days are spent with the kids in the kindergarten room, reading, painting, playing the P.E. equipment or any other project they have planned. All in all, the students at Mt. Rainier learned a great deal from these tykesters--including how to be silly, make faces and draw stick people, all this to be passed to their kids.

What's A Person To Do?????

Drivers Ed consists of three elements, class room, simulator, and on the road. (When we with our drivers licenses stay off.) A drivers ed car is always new, for some reason. Maybe, because they look better in the repair shop. Every person under the age of 18 has to take drivers ed to get their license. So remember, when you see a Drivers Education car, pull over and let it pass. Or you will be waiting for the tow truck to come and take you away. "It's better to be safe, than sorry!"

Watch out for the curb!

Honor Society is a growing club for Mt. Rainier. Brilliance is spreading throughout the school as the number of members excedes 100 this year and is expected to reach as many as 200 by 1979.

Not only brains are involved with Honor Society, service activities and fund raising projects are a large section of this club. One major activity is Operation Christmas where canned food is collected for the needy and distributed at Christmas time. A talent show is usually put on for a retirement home to spread a little joy to the senior citizens of our community.

The car washes, bake sales, etc. put on throughout the year are primarily to raise money to award two deserving seniors a scholarship for their future education.

Ms. Starbird, Honor Society advisor, Vicki Burch, President, Cheryl Roberts, Vice President, and Lori Mirante, sec-tres, along with the rest of the club, worked hard and long to accomplish all the Honor Society projects this year. Without their effort, little would have been accomplished.

Pep

Assemblies

Pep assemblies are where the student body gets together and expresses their school spirit. Among all that school spirit, there is class pride (78-78-7-7-7-7-78). Then there is class competition, Sophomores and Juniors trying to out yell the SENIORS (and did they ever?) The cheer-leaders put many hours into preparing the pep assemblies, all in all, this year has been a good one for school spirit.

EXTRA , EXTRA!!

What mysteries lurked behind the windows of Portable 15? Why were those very windows covered with signs which obscure the view of any passerby who tried to unlock its secrets? Why couldn't the inhabitants of this portable send out for pizza before five o'clock?

For the answers to these and many more questions, one must step into the refuge of the Rams' Horn newsstaff. These stalwart journalists, under the supervision of Louis Fagnan, (advisor), tyrannical leadership of Melodie Steiger, (editor in chief), and the undying devotion of Karen Wise,(executive editor), were always in pursuit of journalism excellence. The staff was responsible for the reporting, photography, layout and pasteup, and circulation of the Rams' Horn. In their spare time, they also made a pretty good snowperson.

CLINIC

This year the clinic was kept germ-free. With sick people coming in right after lunch, or if someone didn't feel to good, the nurse helped to make them feel better. With much of the volunteer help she had, she kept the clinic in tip-top shape.

LIBRARY

Shhh! That was the main word used in the library this year. The students who worked in the library helped other students look for the books they needed. These students also filed book cards, kept books in their rightful places, and kept the library spic-n-span.

Annual Staff

As you can see, 1978's Annual Staff seems to be all washed up leaving room for the '79 Staff. We hope that through all the many hours and headaches spent in the annual room, you will enjoy this years annual as much as we did putting it together. So many things went wrong; layouts were lost, pictures ordered late, and decisions that were very hard to make. But we pulled it through.

We see, we see, we see a group of individuals who came together to plan to work, to argue and laugh, to bring you a book you would be proud of. A book that would capture and preserve this years memories.

As our high school grows, our experiences and ideas grow too. In this year's annual we feel we have retained the feeling and the people which can be remembered by just a glance. And also a memory we hope to capture in these pages of TOR 78.

This year's annual staff would like to express our appreciation for the hours of patience and knowledge afforded to us by George Somoff, photographer. We would also like to express our thanks to Jim Palm, field supervisor, who has also put many hours into this year's annual.

It's hard to visualize the time, patience and knowledge that go into making an annual. We would like to express our deepest gratitude to Gene Sartore, TOR advisor. His patience has been a great help toward the sometimes confused and disagreeable staff. We feell that if it wasn't for these three men, this annual wouldn't be here today. They have been a great help toward the annual of TOR 78.

We hope this year's annual is as special to you as it is to us. This year has been a great experience which we will never forget.
